

The Gulfstream V

15-passenger capacity

The spacious Gulfstream V, the most preferred ultra long-range business jet in the industry, comfortably seats 15 and is perfect for longer or international flights. Boasting the largest cabin in its class, the aircraft allows you to move about with ease and work in comfort with increased productivity. Enjoy the full galley, private enclosed lavatory and state-of-the-art entertainment system and business tools. A flight attendant is onboard every flight to help ensure passenger comfort and safety.

With amenities such as a full service galley, DVD player and plenty of room to work or relax, the Gulfstream V suits your every need for cross-country or transcontinental trips. Oversized windows bathe the Gulfstream V's stand-up cabin in natural light. The comfortable leather club chairs and divan are complemented by warm wood tones and plush carpeting.
